SERVICE AND REGULATORY ANNOUNCEMENTS

BUREAU OF ANIMAL INDUSTRY

DECEMBER 1941

[This publication is issued monthly for the dissemination of information, instructions, rulings, etc., concerning the work of the Bureau of Animal Industry. Free distribution is limited to persons in the service of the Bureau, establishments at which official inspection work is conducted, public officers whose duties make it desirable for them to have such information, and journals especially concerned. Others desiring copies may obtain them from the Superintendent of Documents, Government Printing Office, Washington, D. C., at 5 cents each, or 25 cents a year (foreign, 60 cents). A supply will be sent to each official in charge of a station or branch of the Bureau service, who should promptly distribute copies to members of his force. A file should be kept at each station for reference.]

NOTICES REGARDING MEAT INSPECTION

RESIN GUAIAIC PERMITTED IN LARD AND RENDERED PORK FAT

Resin guaiac may be added as a preservative to lard or rendered pork fat in a quantity not to exceed one-tenth of 1 percent. When the preservative is used, the statement "with not more than $\frac{1}{10}$ of 1 percent resin guaiac added as a preservative" shall appear on the label in direct connection with the term "lard" or "rendered pork fat," as the case may be.

This notice supersedes Circular Letter No. 2354.

OVERTIME INSPECTION ON SUNDAYS AND HOLIDAYS

Reference is made to memoranda Nos. 288 and 489 of the Secretary of Agriculture dated August 4, 1919, and June 18, 1924, respectively, and instructions pertaining thereto, relative to overtime meat inspection furnished at establishments subject to the provisions of the Meat Inspection Act of June 30, 1906, as amended and extended, and the Horse Meat Act of July 24, 1919.

Under the provisions of these memoranda, on and after the effective date of this notice, meat inspection service furnished on any Sunday or on New Year's Day, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Armistice Day, Thanksgiving Day, and Christmas Day at establishments subject to the Meat Inspection Act of June 30, 1906, as amended and extended, and the Horse Meat Act of July 24, 1919, shall constitute overtime work by the employees of the Bureau required to conduct said inspection. Claim will be made by the Department of Agriculture for the cost of said overtime inspection in conformity with the regulations contained in memorandum No. 288.

This notice shall be construed as authority for inspectors in charge to furnish official establishments inspection on Sundays or on any of the holidays indicated under the conditions previously outlined herein without procuring further authority from the Bureau.

The instructions published in Service and Regulatory Announcements for 1938, pages 98 and 99, under the caption "Overtime on Holidays" shall be superseded by the instructions contained herein, effective January 1, 1942. This notice also supersedes Circular Letter No. 2351.

¹ This figure represents "inspection pounds" as some of the products may have been inspected and recorded more than once due to having been subjected to more than one distinct processing treatment, such as curing first and then canning.

PUBLICATION OF IMPORT AND EXPORT FIGURES DISCONTINUED

Until further notice the Bureau will omit from its Service and Regulatory Announcements and other publications the tabulations customarily issued under the following headings:

Meat and Meat Food Products Certified for Export.

Food Animals and Meat Food Products Inspected When Offered for Importation (including food animals passed for entry, and meat and meat food products passed for entry).

The suspended publication or other release of this type of data is in accordance with current Department policy inasmuch as import and export data must now be treated as confidential. However, the Bureau will continue to obtain and record the data as usual and all offices which have been supplying such figures in the past should continue to furnish them in sealed envelopes through regular channels.
